ISSUE #15

It was in 2007, when we opened our first ministry. A week after we opened we received a check in the mail for \$35.00. This was our first gift from someone in the community. Since that time we have received many financial gifts. So many times a financial gift would come in the mail at a time when things were getting really low. We are so humbled by the way the Lord moves people to support these ministries.

Why do people feel lead to give? Why do they give? What do they get from it? Let's hear from a few people who tell us why...

*"I see the need. I give because I feel God leads me to.
And it helps me to grow spiritually." Anonymous*

"I give because it's the right thing to do. I believe in the ministries and in what they do. I believe God wants me to and it's the right thing for me to do" Anonymous

"New Life Ministries are meeting needs and I feel that God has touched us to give to help people." Anonymous

We want to thank all of you, our partners, for your open hearts and financial gifts. We pray that God will bless each of you as you have blessed us! **Please pray with us that we raise \$20,000 by December 31, of this year.**

NEW MINISTRY ON THE HORIZON !

We are still waiting on the bank to clear the title on the house that we plan to use as a shelter for women with children. We expect great things to happen with this new ministry. But first things first, we must close on the house, repair and renovate. After all is done the plan is to open in 2017. So, 2016, will be a big year for renovation and restoration work. Please continue to partner with us in prayer as we undertake this new
