

Concert raised awareness and funds

On April 23rd we held our annual benefit concert in Huntington, Indiana. It was as memorable night filled with music, praise, and worship. We would like to recognize all who helped plan, organize, and execute this event. We would also like to thank all of our supporters that attended the concert. A special thank you goes out to all the bands: Jacob's Well, Hannah Schafer, Scarlet Raven, and Abandon. We also want to recognize Bob Burnsworth realtor, for generously sponsoring the concert. We were blessed with a matching grant for \$1,500.00 during the event. Through social media, we were able to reach out to others. They were able to help us reach the match by the end of the evening. The night ended with a net total of \$ 3,721.00. We look forward to reviewing this awareness and fundraising event as we begin to prepare for next year. Thank you, again, to all who attended the concert and those of you who contributed financially.

“ Please continue in praying for New Life Ministries as it ministers to people.”

YES, a house for \$50.00 !!

Many have been asking, "What is the latest with the new house?" Well, we purchased the house next to the Womens Life house for \$50.00. We are now doing all the legal work required to move forward. Many people are eager to help with the renovations of the house. However, work cannot begin until August. We will have to remain patient as this will give us more time to prepare for when work can begin. We know this as of now: once the house is up and running it will be able to accommodate four women

Siding on the Womens Life House

If there was a house that needed a face lift it was the Womens Life House. A big THANK YOU goes to Hillcrest Baptist church from Ohio. They were able to replace the old asphalt siding that was falling apart with new vinyl siding. They did an outstanding job! Now the house's exterior has a clean, more updated look. Thank you Hillcrest for all you've done !!

How you can help :

We are in a campaign to raise funds. We want to raise \$50,000. That sounds like a lot. And it is a lot. However, we need to continue to keep our ministries going. We are asking you to pray that we will reach this amount. These funds will help with our on going ministries and with the renovations of the new Women with Children Life House.
