SPOT LIGHT

WE NEED YOUR VOTES !

New Life Ministries has been nominated for the Beacon Bank Spotlight contest! There are several non-profit organizations that have also been nominated so we need your votes. The contest runs through the last day of September. It's a very simple contest. It's who ever gets the most votes. We need everyone to vote daily. You can vote on your computer, iPad and from your phone each day. So you can actually vote three different ways and get three votes to count.

Go to Facebook and connect with Pastor Jimi page and hit the Beacon Project image.

Just a note to help those who live outside Huntington. Remember to push the Huntington county button and then you will see the New Life Ministries button toward the end of the list.

Last year we took second place for five hundred dollars. Let's take first place for one thousand dollars.

Thank you all in advance for your votes.

Remember, vote everyday from now through September 30th.

Larissa—

When asked if we could do a interview Larissa was very open and willing to share some of her story while being at the (W.H.L.) Womens Life House.

How long have you been at the WLH?

"I've been at the WLH

for two months now.

What have you've done since being here? *"I've gotten my high school diploma, I got a job at Mc Donald's. Oh, I'm now working on getting my driving permit."*

How has the WHL been for you? *"It's been life alternating. I'm very grateful to be here."*

Tell me about your relationship with New Life the church?

"I really enjoy New Life. I feel at home there. I feel safe there and I beginning to trust people there as well."

It's great to hear you say that about New Life. Do you have anything you'd like to share about your relationship with God?

"God has always been there for me. You know I was saved while being in this program. I'm glad that I came here. I still have a lot of growing to do."

What would be a big WIN for you Larissa?

"What would be a big WIN for me?.... Well, to stop smoking. To have a solid connection with Jesus."

Alex—

When asked if we could do a interview Alex was very open and willing to share some of her story while being at the (W.H.L.) Womens Life House.

This is your second time at the WLH. What is the difference this time? *"I'm tired. I want my life back. I want my children back. I don't want the drugs anymore. I see the good things that are in clean peoples lives, I want that. I want it now before it's to late. Before, I didn't want to do what it takesI'm learning."*

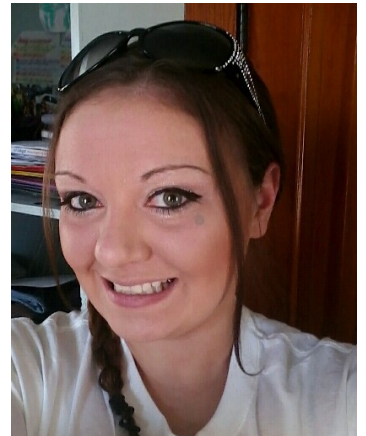

How has the WLH help you in this desire to change your life?

"The WLH has given me a safe place to make these changes. It's a good environment and a safe environment. It's giving me a home environment."

I like that it's faith based. There is a connection between church and the WLH. It's about second chances . I need the second chance."

Do you have a relationship of any kind with Jesus?

I got saved at seventeen. I fell away. I rededicated my life earlier this year and was baptized in June. I am a recovering heroin addict and God has been my biggest help. I've been clean for six months."

It's been a long wait and with red tape. But, we are finally coming to the end of the wait.

A purchase that cost fifty dollars will soon turn into a place to help for women with children. This is an exciting time for New Life Ministries as it prepares to

renovate this house. This renovation will cost approximately \$15,000.00. Please pray with us as we begin to put this renovation into action. Some of the major things we plan to do is to install a furnace and ac unit (There is no furnace or ac unit in the house). We plan to put siding on the house, put railing around the porch and to install a fence around the property. If you would like to help with renovations or donate any of these items it would be a real blessing. Please call Pastor Jimi @ 260-519-1664 if your interested in helping, donating or just have a question.

More information will come out through up and coming news letters as we continue to the advancement of this new ministry.
