You Helped Make It Happen

We kicked off our end of the year fundraiser on November 1st. During that time New Life Ministries had its annual benefit auction and dinner night. We ended the 61 day campaign on December 31st. Our goal was set at \$30,000.00. You all helped New Life Ministries meet and exceed that goal. All together \$35,000.00 was raised! This is amazing! This helped finish out the year well and helps give us a decent start for 2017. So many people, churches and businesses gave. We are so very thankful for all of you and for all of your generosity.

We are able to start the year with \$17,000.00. This is the strongest start that we've ever had. It takes a lot of finances to operate these ministries. New Life Ministries' 2017 budget for the Meal Ministry, Women's Life House, Thrift Store and the up and coming home for women with children (*our projected start date to open Oct. 1, 2017*) is \$133,000.00. This only happens through the Power of the Lord, prayer, and people who get what New Life Ministries is all about and see how it is helping people both physically and spiritually.

Thank you all so much for your prayers and gifts. We would like to ask that you all continue praying for this ministry. May God Bless you all. You have all been a blessing to New Life Ministries.

A Special Gift

The new house, which will be housing women with children, is going to take some major rehab. The house had no furnace or ac unit. The way the heating had been set up in the house had gas heat on the bottom floor and electric heat upstairs. After hearing of these needs two generous donors stepped in to help meet the need. We want to thank Dave and Bette Roth for new two furnaces and two new ac units. This will help jump start this project. Praise the Lord!

"I have but one candle of life to burn, and I would rather burn it out in a land filled with darkness than in a land flooded with light." ~ John Keith Falconer ~
John Keith Falconer was an English evangelist.

Why New Life Ministries

We asked a few people why they volunteer, why they give financially and why some come from many miles away to help with the ministries. Here is what they had to say...

• *"Huntington has always needed these ministries and they are just a phone call away." Jerry Sell—business owner New Haven.*

• *"We see the benefits of God working there at New Life. We know that God is leading us to come and help for the third time ." Youth Pastor Barry—Mississippi.*

• *"There are a lot of people in the world today who need a little help and guidance. New Life Ministries is addressing some of those needs on a daily basis. I appreciate the opportunity to be involved by supporting the soup kitchen, women's shelter and soon to be women and children's shelter. Huntington should be proud to have such a ministry that is usually only afforded to larger cities." Dave Roth—Industrial Manger Huntington*
