NEW LIFE MINISTRIES

ISSUE # 2 NOVEMBER 2014

AUCTION

The annual auction is almost here! We have this auction to bring awareness and raise funds for the ministries. The Meal Ministry and the Womens Life House will be the focus of this event. These two ministries are not just important to Huntington, but to Indiana and the surrounding area as well.

With the Meal Ministry we are serving a hot meal daily to those who are in need. The Womens Life House helps women by housing them, providing meals, and giving both life skill classes and spiritual classes.

This year we have streamlined the Womens Life House with the Meal Ministry under the name of New Life Ministries. This is going to help the administration more overall. It allows giving dollars to help both ministries instead of

one. It basically simplifies everything.

With the auction coming up on November 20, we hope that you will try to attend this event. We have been given some really awesome things to auction off from the businesses of Huntington and the surrounding communities. Some of the items include; a hot air balloon ride, Gathier tickets, Huntington University basketball season tickets, lawn care equipment, and much more!

If you are able to come, it will be great to see you. If not, we hope that you will consider giving a financial gift. You will be able to do so via mail or online. Please be in prayer for this event. We will give a total of the

amount raised in our January Spotlight news letter.

Great things are happening for New Life Ministries. We want to say thank you to all who partner with us to help change peoples lives.
