## Auction and End-of-Year Campaign

### Special points of interest:

- *The Womens Life House helped more than 25 women in 2014.*
- *There are more than 50 volunteers who serve at the Meal Ministry every month.*
- *The Meal Ministry will be eight years old next month.*

NEW  
LIFE  
MINISTRIES

We just finished up the annual auction a few weeks ago. This year the auction raised \$4,800. We praise the Lord for the gifts he's provided for us. We're still in our end of year giving drive, so we are still receiving some financial gifts in the mail.

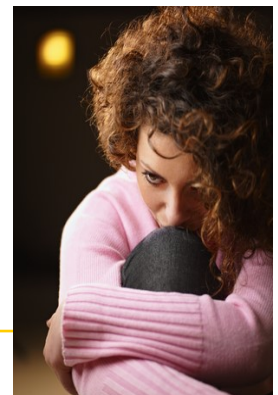

We want to remind you that we have consolidated the Meal Ministry (soup kitchen) and the Womens Life House (women's shelter/program). They will still operate separately but will work together

under New Life Ministries. If you are a financial partner or want to become a financial partner please remember to make checks payable to New Life Ministries. This coming January we will let you, our partners, know the total amount that was raised for the auction and the mail out campaign.

We ask that you continue to pray for these ministries as they continue to help people. Please pray for the many volunteers that help make these

ministries happen. And lastly please pray that we fill an empty position for the Womens Life House.

Have a great and wonderful Christmas and New Years.
