Praying for \$15,000.00

On August 4th we started a campaign up to raise \$15,000.00 by the end of September. After some thinking, praying and processing through, it was clear that we were not going to ask anyone for money. We were just going to ask people to pray that God would make this possible and that He would supply this need. After four weeks of praying and asking others to pray, \$10,068.00 has been raised! It has come in from everywhere. From monthly partners, yearly partners and new partners. We are very humbled at the response of people, like yourselves. So many people were so giving. We are asking that you all continue to pray that this goal of \$15,000.00 is reached.

Prayer is a powerful thing. Please don't stop! It is amazing to see God work in the hearts of people.

Thank you all again for your continuous partnering prayers. Thank you to all who have given. And above all, we thank God for His provisions, gifts and answered prayers.

Why we do these ministries

It is amazing to me when someone asks, “Why do you do those ministries?” Or when someone else makes the statement, “You know that person your helping is a drug addict and the person they are living with is one too?” It does amaze me when we people ask those type of questions. Maybe it's because they are looking at the problems and we at New Life Ministries are looking at the person. It's true that many of the people we minister to have some major problems in their lives. But,

we believe that doing what we do is worth it. Because people are worth it! I am reminded that sometimes all it takes is one life changing event; a loss of job, divorce, death of a loved one and sometimes bad choices. When talking and looking at the whites of their eyes they begin to open up about themselves. We've seen nurses, teachers, managers, business owners and others who once had a good job and because of that life changing event are now standing at the crossroads of hurt and despair. That is a painful and lonely place. We believe that these people still matter in this world, because they matter to God. Why do we do these ministries? I guess we just love people.
