ISSUE # 14

\$ 15,000 CAMPAIGN: Well, we ended the campaign on September 30th, after eight weeks. Thank you all for praying for this need. After all said and done at the close of the campaign on September 30th there was a total of \$ 14,278 given for the ministry work of the Meal Ministry and the Women's Life House. Did we make the goal? Of course we did. We were unified in prayer over a specific need. That is always a good thing. A few more checks came in after the deadline! So, the goal was met! Thank you all for your prayers and financial gifts. God has been and is good to us. We always give Him the glory. Thank You Lord!

NEW MINISTRY ON THE HORIZON!

New Life Fellowship has decided to purchase this house to be used for women with children. This will be added to the ministries of New Life Ministries. The house is located next door to the Women's Life House. Please pray as we plan for the renovations that need to take place next Spring. We are very excited about this new ministry. We are tired of turning women away with children. We should be closing on the house this month. Purchase price—\$ 13,250.
