

A Matter of Importance

Here at New Life Ministries we help many people on a daily basis. New Life Ministries is doing a great work in helping those who find themselves in need of assistance. Whether it is by providing a daily meal at the Meal Ministry, enrolling and residing at the Women's Life House, or in many other ways (counseling and discipleship), we love helping people. This is what God has called us to do. But there is a cost. It takes money for New Life Ministries to help people.

We are at a place where our funds have gotten low. The extremely cold winter taxed our resources even more and we need to raise funds quickly. Most of the financial gifts that we receive come from individuals, churches, and businesses. We do not receive any government money or benefit from any government program/grants. And with that there is nothing else to say except to share with you how you can partner with this ministry. I recently spoke with a friend who does similar type of ministry work. He said they have a three month financial cushion. While I was happy for them, I realized that we have never had that. Here are three ways you can help New Life Ministries right now:

1. Please pray over this financial need. (Prayer is our go to).
2. Pray and see how God may lead your heart on how you can help us.
3. Give a financial gift (out of love).

Keep looking up and never give up,

Pastor Jimi

Special Benefit Evening

We are having a benefit night for New Life Ministries on April 20, 2018. This is a special night for us. It is a night for people to hear about what the ministries are all about and how they've impacted Indiana. We've attached a copy of the invitation to this newsletter. We would love to see you there. Please prayerfully consider attending our event. If you cannot attend, please pray about sending a financial gift. We will include your financial gift in the total amount raised for the event. Thank you all so much for your interest in receiving our newsletters. Also thank you for those of you that have given financially. And finally, a big shout out to you that pray for New Life Ministries. Thank You!

Meal Ministry How It Works

The first and longest running ministry that we have from New Life Ministries is the Meal Ministry. The Meal Ministry's purpose is to provide one hot meal a day to those who are in need of a meal. This meal is served in the evening and offered daily. It takes a lot of people and resources to make this ministry happen. Here are just a few facts that you might find interesting: First, there are no paid staff.

This ministry is operated entirely by volunteers. Secondly, this ministry receives no government funding. This means that it is financially supported by individuals, churches, businesses, community groups, and other resources. Another unique aspect of this ministry is that there are a dozen churches that have keys to the doors of this ministry. The reasoning for this is that these churches volunteer so regularly that they need a key to do their night of cooking and serving! There is one final thing that we'd like to share about this ministry that is also unique, the smiles. There seems to be a lot of smiling at the Meal Ministry! Whether its smiles from the patrons or from the volunteers, it is a great place to be!
