

SPOTLIGHT: A NEWSLETTER FROM NEW LIFE MINISTRIES

July 2019 #48

Happy summer from New Life Ministries! It has been a busy one so far and there has been lots going on, with lots more still to come. Last month, New Life was blessed with having four mission teams come to volunteer their time and talents. Renovations were done on the Meal Ministry and at

both of the Life Houses. Several of the teams also donated time to the city, helping to paint fire hydrants, cleaning up and praying over parks, and even clearing some trails. All of the teams served at the Meal Ministry while they were here. Thank you to all

of the teams who have come so far and done such a wonderful job. And thank you to the three more teams who will be coming throughout the month of July! We are looking forward to meeting with all of you, to new friendships and reunions. All of our mission teams and

volunteers and financial partners are parts of New Life Ministries. We would not be the organization we are without all of the blessings everyone reading this pours out on us. From all of us here at New Life Ministries, thank you.
