ISSUE #5

NEW LIFE MINISTRIES BENEFIT CONCERT 2015

ATTENTION

We are trying to double our monthly partnerships this year. We have twelve individuals/families and eight churches at this time. That means our goal is to have twenty-four individuals/families and sixteen churches. If you are not a monthly supporter and would like to be please contact pastor Jimi at 260-519-1664 or you can email :

Jimi_staton@yahoo.com

The second annual Benefit Concert will be on April 25th. We will have two sessions for the day. The afternoon session will consist of Southern Gospel and Bluegrass. There will be seven groups in the afternoon session. Four of these groups are coming from Nashville, Tennessee and as far away as New York. We are very excited to have these groups come to help us with this event.

The evening session will be Contemporary and Christian rock music. These groups are most from the Indiana area except one group coming from Columbus, Ohio. We hope that you will come out and support this event. Tickets are \$5.00 per session. More info coming soon in upcoming newsletters.

MEAL MINISTRY – Soup Kitchen

Every day for the last eight years, volunteers have come together to prepare a hot meal for those in need. There is much time involved in an evening at the Meal Ministry. First, there is the preparation of the meal. There is the serving of the meal to the people. And of course there is the clean up.

After every night, when the brooms and mops are put away and the doors are locked, we can say it was a good day. And tomorrow, Lord willing, the doors will unlock and volunteers will begin to come in to a building and begin the meal preparation again.

We want to give a big shout out to all the volunteers that make this ministry work. We not only need financial partners but volunteers as well. Without the volunteers this ministry wouldn't be in operation.
