Opening January 2022 - Men's Life House

Dining Room—Table Built and Donated by Kurt Boice

Located next door to the church and on the same block as the houses for our Women's Life House programs, the Men's Life House will be opening its' doors in January 2022. New Life Ministries is excited for this new ministry that will soon begin and hope you will be a part of the newest addition of New Life Ministries.

Originally we had set the goal to open the doors of the Men's Life House on October 1, 2021. This summer we were able to get a couple of missions teams in who did a great job in helping us get the house finished. But, due to Covid, we also had a few mission teams who were not able to come, causing some projects to take a bit longer to complete. Also, sometimes things come up when you are doing construction on a house, so our opening date was moved back.

Even though we had to push the opening date back, we are excited to open our doors. As we finish up a few construction pieces ourselves, we have already acquired the certificate for occupancy.

We hope you will be in prayer for the Men's Life House and all who will enter the doors when we open in January 2022. We also ask for prayer as we are looking for a director for the Men's Life House and pray for God's guidance and blessing in this decision.

2021 End of Year Campaign

Each year we hold an End of Year Campaign for New Life Ministries. This year, it will run from November 1 through December 31. If you would like to help in our End of Year Campaign, you can mail gifts to 313 East Franklin Street, Huntington, Indiana 46750. All gifts are a blessing and we hope you will pray for New Life Ministries during this time.

UPDATE

Meal Ministry

Currently, we are serving about 35 people a night on average. We are continuing to see the blessing of donations for food to serve and everything else is continuing to run smoothly.
