"FOR WITH GOD NOTHING WILL BE IMPOSSIBLE." LUKE 1:37

SERVING HUNTINGTON WARM MEALS

Food is something that not everyone in America is fortunate enough to have access to. At the Meal Ministry, we feel blessed to be able to provide a warm dinner to those in need in the community, and there are many who visit each night. "We are getting more people coming in every day and God is always providing the food and funds we need to feed everybody," says Bob Burnsworth, director of the Meal Ministry.

Bob, along with many of our volunteers, has a passion for helping people at the Meal Ministry, and that is clear in the way he speaks about it. "God has blessed the Meal Ministry with food, and we just hope people understand that the ministry is here and the food is here to help them. God has provided and wants people to take part in the meal, whether by serving or enjoying it." Bob continued to explain that "the Meal Ministry doesn't have to be a last resort. It can be a place to enjoy a meal, have social interaction and meet friends, or it can be a way to help you out financially to pay other bills by saving on food expenses."

the Meal Ministry has felt like a welcoming environment, and that sometimes requires work to make the building look nice. Recently, we have added new window displays in the large storefront windows, and Bob has more projects already on his mind. "Now that the window displays are done, we are looking for people and funds to help paint and redo the exterior of our building. We want to help keep the building in a good condition."

If you are like Bob and have a passion for helping people and meeting needs, we hope you may consider helping the Meal Ministry. Praying for, volunteering, donating items, and financially supporting are just a few ways in which you can help those in need of food through the New Life Ministries Meal Ministry.

LIFE HOUSE GRADUATION: CHELSIE

We are proud to share that Chelsie has graduated from our Women's Life House program. If you were at the Spring Banquet, you may have gotten the chance to hear Chelsie share a little about her story.

Chelsie entered the program after hearing about it from others while incarcerated. She explained, "I was court-ordered to come, but I'm glad I was." Over the course of 8 months, she worked hard to make changes in her life, pay fines, and attend classes to better herself. We are proud of all the hard work she has put in.

Now that she has graduated, Chelsie says she plans to continue to stay close to God and plans to keep coming to church while continuing to work on her sobriety. She is also working on getting her relationship back with her kids and family. "I will forever be grateful for Jimi and Carla, they helped me more than they know. I will always stay in contact with them and I'm excited for my new journey in life since being at the Women's Life House."
