## END 2022 BY GIVING HOPE

---

2022 has been full of blessings for New Life Ministries and, as we begin to wrap up the year, we are beginning our End of Year Campaign. After much prayer, our goal is to raise \$100,000 for New Life Ministries by December 31, 2022. Meeting this goal will help continue the work of New Life Ministries and will bless many men, women, and children in need.

Every dollar counts. Will you consider giving \$10, which can provide 5 meals at our Meal Ministry? Will you consider giving \$45 to provide 24 hours of shelter to one individual at one of our homes or \$300 to fully operate one of the homes for one day? If possible, would you consider giving \$1,000 to provide one day of hope by helping operate New Life Ministries for one day?

We pray you may consider being a part of the mission of New Life Ministries by supporting our End of Year Campaign. Gifts can be given online by visiting [www.newlifeministries-indiana.com/year-end-campaign/](http://www.newlifeministries-indiana.com/year-end-campaign/) or by mailing checks to 313 E. Franklin Street, Huntington, Indiana 46750.

During this time, we will also be sharing videos highlighting the ministries of New Life Ministries. Find these videos on our Facebook page on Tuesdays from November 1 until December 31.

## LIFE HOUSE GRADUATION: STEVEN

This month we celebrated our second graduate of the Men's Life House. Congratulations to Steven for putting in the work required and completing the program.

During Steven's graduation, he shared a desire to give back. His hope is to be able to help future men who enter the home and may begin teaching a class at the home soon. We look forward to seeing how God continues to work in his life.

## HCCF SUPPORTS THE MEN'S LIFE HOUSE

We are excited to share that we have received a grant from the Huntington County Community Foundation (HCCF). HCCF has always been a blessing to New Life Ministries, and because of their generosity and the generosity of those who help sponsor projects in the community, we are going to be able to make some updates to the Men's Life House. This grant will help add a patio space, a gravel parking lot, a second refrigerator, and a new TV for the home to provide a better environment for the men we serve.
