"FOR WITH GOD NOTHING WILL BE IMPOSSIBLE." LUKE 1:37

## REFLECTION AND ANTICIPATION

"Faces and names." Those were the words Executive Director Jimi Staton used when asked to describe 2022. "Opening the Men's Life House, on top of the other ministries we were already operating, brought a flood of new faces. We were able to meet and minister to more people."

New Life Ministries is people focused, and the opportunity to meet more people in 2022 was a blessing. We saw more lives changed through our ministries. This was evident in the number of meals served, the men and women who entered our homes, and the nine graduations we celebrated. Each person we have served has their own story, and we are grateful we have had the chance to be a small part of that story thanks to the support of many.

Our work does not end there. We have big plans for 2023. "A new year brings a fresh start and new challenges to navigate. It also brings inspiration for new things and new ministries," shares Jimi, "I am looking forward to continuing to meet new people and seeing New Life Ministries grow with the addition of the Children's Life House in 2023."

Our mission remains the same even as we continue to grow. We desire to serve those in need of food, shelter, and a purposed-filled life. We are excited to see how our mission is accomplished through our ministries in 2023 and cannot wait to see how the community and our partners come together to help make it all possible. We are sure to meet many new, wonderful people in 2023 and look forward to seeing more lives changed for the better.

## LIFE HOUSE GRADUATION: DEREK

There was no better way to end 2022 than celebrating another Life House graduation. Congratulations to Derek on graduating from the Men's Life House!

We always allow our residents to share during the graduation ceremony. It was a blessing to hear what Derek had to say as he gave praise to the Lord, sharing that finding a relationship with the Lord has been the most meaningful part of his experience in the program. We pray for Derek and look forward to seeing what he accomplishes outside of the Men's Life House.

## HUNTINGTON ROTARY CLUB HELPS THE LIFE HOUSES

We are grateful for the Huntington Rotary Club and their support of New Life Ministries and our Life House programs. In December, they granted us with funds to purchase more educational materials for the classes at our Men's Life House and Women's Life Houses. Specifically, the funds received helped purchase additional copies of the book needed for the Safe People class. Thank you Huntington Rotary Club!
